PRAYER & FASTING AGAINST CANCER

Behold, I will bring to it health and healing, and I will heal them and reveal to them abundance of prosperity and security. Jeremiah 33:6

When we pray, we must believe that our prayers are answered. Though the result would not be quite evident but the truth is, God has a plan for their life. So continue to pray & believe God to heal them and deliver them from this demon of Cancer.

Victory is in the name of Jesus Christ.

Demon of Cancer

Their life has no hope. They are in unimaginable state. Many can afford but many cant even think about the treatment.

Because of lack of accommodation in the hospital, the patients have to lie outside the hospital. Their pain is beyond our imagination. The only emotion that is evident is discouragement.

Many don't even know what to expect from life at this point. Many dreams are broken. They are filled with fear. All that can be seen in their eyes is despair.

All they desire is nothing but a relief. A way out from this situation. All they desire is an assurance for tomorrow.

Let's intercede for these people who are struggling, dying inside, seeing death everyday closely. If we don't intercede then who will? If we don't carry their burden, then who will? Please take out some time and pray for these patients. Your prayers are powerful weapon that can change their misery into miracle.

Prayer points-

1. Pray that God would touch the patient's hearts and help them to receive His **PEACE** that surpasses all the understanding. Pray that God will wipe their tears in this state of hopelessness. *(Philippians 4:7, Job 11:18-19)*
2. Pray that the discouraged patients will be encouraged today. That Holy Spirit will take hold of them by giving them **CONFIDENCE** and courage, a rest that their life is in God's hand. *(Psalm 147:3, Isaiah 41:10)*
3. Thank God for all the patients that **God has began** a good work in their life. Proclaim each and every cell in their body is cancer free. *(Please refer the list of Day 1)*
4. Pray that from this day on, let no-one be affected by this disease. *Let Cancer be history.* Bind the power of Cancer over our world. *(Matthew 18:18,)*
5. Pray that God would use these patients for *His kingdom purposes.* And let many come to saving knowledge of Lord Jesus Christ through their life.
6. Pray that God will bless these people *physically, spiritually emotionally, mentally, socially and financially.* Ask God to establish them afresh in their life.
7. Lets continue to *bind the spirit of addictions* and also proclaim the power of freedom from the Cross over the addicts. *(1 Corinthians 15:33, Psalm 50:15)*
8. Lets continue to plead *Jesus blood over hospitals* and their management that God's eyes will be on it and those people will be healed and delivered. *(Ephesians 1:7)*

The LORD will keep you free from every disease. He will not inflict on you the horrible diseases.... Deuteronomy 7:15

May God wipeout this disease of Cancer from our Generation and our time for His glory.
